These three beautifully designed bulls are fresh from Snyders Feedlot where they've shown excellent RADG and are ready to go to work! All are bred for calving ease while having solid growth rates and carcass merit. They also look good phenotypically and are easy to work with. These are a fine addition to any operation and will help improve your future profitability.

Check their lineage to see a long line of top money making Angus heritage. All are backed by a one year guarantee, call for details.

Breeding quality Black Angus bulls that are ready to go to work!

FALLON *All Breeds* BULL SALE

Welcome!

The Fallon Bull Sale Committee and Nevada Cattlemen's Association would like to welcome everyone to the 56th Annual Fallon All Breeds Bull Sale. We are proud to provide quality range-ready bulls for the Western U.S. The committee would like to express our sincere appreciation to the consignors and buyers for their continued support. Without each of them this sale would not be possible.

Each year we strive to work with consignors to maintain the quality of bulls offered at the sale. We feel the bulls offered can add significant value to your operations and make every effort to meet the standards our buyers need for their breeding programs. If there is anything we can do to meet the needs of our buyers or consignors at this sale, or future sales, please let us know.

The sale is a major fundraiser for the Nevada Cattlemen's Association which tackles the issues affecting the beef industry in Nevada. By participating in the sale, you are contributing to the promotion of a dynamic and profitable Nevada beef industry.

Please don't forget to join us for an enjoyable evening at the Fallon Bull Sale Dinner/Dance on the 18th, hosted by the Churchill County Cowbelles. We hope that you enjoy the hospitality of the Fallon Community and have a great weekend at the Fallon All Breeds Bull Sale.

Thank you again to all of our loyal buyers and consignors. We would also like to thank Fallon Livestock LLC for hosting the sale, the Churchill County Cowbelles for hosting the dinner/dance, the Churchill County FFA Chapter for sale support and our generous sponsors who all help make this sale a success.

*Best regards,
Fallon Bull Sale Committee*

Health Information & Requirements

SALE VETERINARIAN:

Randy Wallstrum, DVM is the Sale Veterinarian. Should you have questions regarding health requirements, you may contact Dr. Wallstrum at: Box 2001, Gardnerville, NV, 89410, 775-782-3855.

BULL IDENTIFICATION:

To move bulls interstate, each bull is required by Federal regulation to travel with a Certificate of Veterinary Inspection (CVI) that lists each bull by one of the following means of identification:

1. Silver Bright metal ear tag (Federally approved)
2. EID/RFID ear tag
3. Breed Registration tattoo along with a copy of the Breed Registration certificate.

OFFICIAL INTERSTATE HEALTH CERTIFICATE:

Each consignor must submit a "blanket" official interstate health certificate signed by a licensed veterinarian listing each individual animal in the consignment. (One official health certificate may cover all animals for an individual consignor.)

REQUIRED INJECTIONS

1. **CLOSTRIDIAL:** 8-way vaccine within 60 days of the sale.
2. **RESPIRATORY VACCINE:** This vaccine must include Infectious Bovine Rhinotracheitis (IBR), Bovine Viral Diarrhea (BVD Type I and Type II), Parainfluenza (PI3), Bovine Respiratory Syncytial Virus (BRSV) within 60 days of the sale.
3. **IVERMECTIN:** All bulls must have an Ivermectin injection (1cc per 110 lbs.) or pour on (1 cc per 22 lbs.) within 60 days of the sale.

REQUIRED TESTS

1. **TRICHOMONIASIS:** All bulls must have a negative Trichomoniasis test within 30 days of the sale. This test must be a PCR test. **A COPY OF THE OFFICIAL LABORATORY REPORT OF THE TRICHOMONIASIS TESTED BULLS MUST BE SUBMITTED WITH THE HEALTH FORM.** Pooled Trichomoniasis samples will not be accepted for entry in Nevada.
2. **BVD TEST:** All bulls must have a negative test for persistent BVD infection by either ear-notch method or blood test method. This test can be done at any time and is good for the lifetime of the animal.
3. **SEMEN TESTING:** All bulls must be semen tested by a licensed veterinarian within 60 days prior to the sale. Test results must be turned in upon arrival along with other health documents. For bulls to be classified as Satisfactory Potential Breeders, they must pass the physical examination and equal or exceed the minimum thresholds in each of the following three categories:

Scrotal Circumference

30 cm at ≤ 15 mo
31 cm at 16 - 18 mo
32 cm at 19 - 21 mo
34 cm at 25 mo or older

Morphology

> 70 % Normal Sperm

Motility

> 30 % Linear Motility

- **Satisfactory (S):** Bulls which equal or surpass the minimum thresholds for scrotal circumference, sperm motility and sperm morphology, and which do not show genetic, infectious or other problems or faults which could compromise breeding or fertility.
 - **Unsatisfactory:** Bulls which are below one or more thresholds. Also, bulls which show genetic faults or irrevocable physical problems (including infectious disease) which would compromise breeding or fertility.
4. **BRUCELLOSIS:** Brucellosis testing is not required. However, if a bull is purchased by someone from a state requiring brucellosis testing for entry and the bull does not have a certified brucellosis test, that bull will be subjected to the one-day brucellosis test procedure in Fallon, and all expenses will be the buyer's responsibility.
 5. **TB:** TB testing is not required. However, if a bull is purchased by someone from a state requiring TB testing for entry and the bull does not have a certified TB test, that bull will be subjected to the three-day TB test procedure in Fallon, and all expenses will be the buyer's responsibility. California TB status has been down-graded from a TB Free State to Modified Accredited status.
 6. **GENETIC DISORDERS:** The consignor must provide proof of each bull being free of its Breed Association's recognized genetic defects with submission of entries. It shall be the responsibility of the Breed Association to provide its member owners with as accurate information as possible relating to the status of known, recognized or scientifically suspected genetic defects. If a bull is a potential carrier of a recognized genetic defect, it is the responsibility of the consignor to complete a DNA test on that bull. Positive carriers are not eligible for the sale.

Sale Terms & Conditions

SELLING FEE:

A selling fee of eight percent (8%) of the gross sale will be charged in addition to the entry fee. Any bulls sifted from the sale may be sold at private treaty. **An eight percent (8%) commission will be charged on sifted bulls sold.**

SALE TERMS:

Terms of this sale are chase, check, or credit card and must be paid in full the day of the sale, unless other arrangements have been made with the Fallon Full Sale Committee Chairman or Sale Secretary. Make checks payable to the order of: **Nevada Cattlemen's Association.**

The registration certificates and trasferes will be mailed to the appropriate Breed Associations immediately after the sale by the sale office.

NO BULLS WILL BE RELEASED FOR SHIPMENT PRIOR TO THE CLOSE OF THE SALE FOR ANY REASON (excepting for severe animal health reasons, e.g. broken leg).

Sale sponsor will make every effort to conduct the sale in an honorable manner, will not allow false practice or false bidding, and will strive to protect buyer and seller in every way possible, but the sponsoring organization will not assume any liability whatsoever, under any circumstances. Nevada Cattlemen's Association will make every effort to pay consignors within three weeks.

If any consignor willfully misrepresents stock sold or refuses to be governed by the rulings of the Fallon Bull Sale Committee in making adjustments, he shall be barred from participation in future sales.

The sale will provide gifts for both buyers and consignors on the high selling bull as well as the top overall buyer(s) of the sale based on total dollar amount spent and total number of bulls purchased.

Buyer must obtain health certificate (in-state not required) from the Sale Veterinarian and a brand inspection from the Brand Inspector onsite before bulls will be released to buyer.

BIDDING:

Only bona-fide bids will be accepted. All buyers must obtain a buyer's number from the office at Fallon Livestock LLC prior to bidding. **Reserve bids are accepted up to 9:00 a.m. on Saturday prior to the start of the sale.** All reserve bids must be written and signed then handed to the Sale Secretary to be considered. No minimum bids will be accepted after that time. Misunderstandings or disputes as to bids will be settled by the auctioneer. If there is doubt as to the bid, the auctioneer will cancel all bids and reopen the sale of the lot. In bidding, no increase in bid of less than \$100.00 will be considered on any bulls.

NO SALE:

A full commission of eight percent (8%) on the last bid or floor price, whichever is greater, will be considered the no-sale fee. If no bids are received, a no sale fee of \$100.00 will be charged.

If a consignor obtains a buyer number and purchases back their own bull at the sale, they must pay the sale price for that bull. (Consignor will be refunded minus commission fee when accounts are settled, and checks are issued)

GUARANTEES:

Buyers who can prove they purchased a bull, which is a non-breeder, should contact the consignor with 90 days of the sale. If the consignor cannot prove the bull to be a breeder, the consignor is to make a satisfactory settlement with the purchaser. Except for transportation between the purchaser's ranch and Fallon, which will be paid by the purchase, all other expenses incurred, including transportation, vet examinations, and transfers will be paid by the consignor. Nevada Cattlemen's Association Fall Bull Sale Committee is an agent only. All guarantees are between buyer and seller.

Contributions for the Donation Calves During the Auction at the Fallon Bull Sale!

Those persons who contribute a payment for a "Dues Calf" will receive a complimentary NCA Membership certificate for the 2021-2022 membership year. If you are a current member, your membership will be applied to the 2022-2023 membership year. Membership certificates will be issued according to your most recent membership type. New members will receive one regular NCA membership. If the contribution does not exceed the value of a regular NCA membership (\$150) it will be considered as a donation only.

Here is another Jet Black that will not disappoint. His dam was purchased in the Rathbun dispersal and hails from one of their best maternal lines. She is super wide, deep and strong topped. This bull offers outstanding numbers and should leave phenomenal daughters.
